Celebrate the spirit of agriculture and the future of farming! Join us for an evening of fun and fellowship at the Big Fresno Fair – hosted by Region 6 – as we rally support for the Jr. Livestock Show. The festivities kick off with a lively gathering at the wine garden, located next to the livestock barn.

Reconnect with fellow alumni, bring your family and friends and enjoy a great time as we toast to the next generation of agricultural leaders. With the fair admission and parking pass required, you'll gain access to the vibrant fair atmosphere and our special social event. Don't miss this opportunity to mingle, cheer on young livestock enthusiasts and create lasting memories. See you at the Wine Garden for a night of camaraderie, celebration and community spirit!
