Jim Manassero Fellowship Luncheon

Please join us for the annual Jim Manassero Luncheon on October 30! This year's event will be hosted at Tanimura & Antle on their lovely patio. We will be honoring Jim Manassero (1) as well as the larger farming and ranching communities and how Ag Leadership has played a role in strengthening those communities.

Our keynote speaker will be Louie Brown, the managing partner of Kahn, Soares & Conway, LLP's Sacramento office. Louie represents clients before the California State Legislature and various state agencies. He will discuss how state decision-makers impact today's critical issues and explore opportunities for California agriculture to influence policy and lead on solutions.

Featuring a welcome from Brian Antle, Executive Vice President of Sales at Tanimura & Antle.
