Water Tour Social with Class 55

Wednesday, August 19, 2026
7:00pm - 8:30pm

Cabrillo Wine Room at Mission de Oro
13070 S. Hwy. 33
Santa Nella, CA

Join Class 55 fellows at a reception the evening before they depart for their water tour* in the region. The social is open to all alumni, family members, and prospective applicants. Appetizers are available, and beverages are no-host.

**This water tour is not a California Agricultural Leadership Foundation program. Instead, it is hosted by generous donors in the area who allow interested class members to learn and visit with alumni, water managers, and growers to increase their understanding of the water challenges facing San Joaquin Valley agriculture.*
