

SECOND ANNUAL

Cultivating the Future

May 23, 2024
6:30 - 9 p.m.

Pioneers' Museum
Imperial

Dear Supporter,

We are writing to you on behalf of the California Agricultural Leadership Foundation (CALF) and our fellow alumni from the desert region (see list below). CALF is a 501(c)(3) nonprofit committed to leadership training and transformational learning experiences. It supports the California Agricultural Leadership Program, the longest continuously operating leadership training experience of its kind in the United States and one of the premier leadership development programs in the world.

To support the Ag Leadership Program, Region 11 is hosting the second annual **Cultivating the Future**, a fundraiser dinner to support the development of future leaders from the desert region in California agriculture. It will be a wonderful evening with friends and delicious food, all for the benefit of agriculture. Mike Young (Class 35) – CALF board chair, owner/partner of Wegis & Young and author of “The Farmer’s Code: How Legacies are Built” – will be the keynote speaker.

As a company in partnership with our local farming community, we are kindly requesting your help with sponsoring this event. Your support is vital to the success of CALF, whose mission is “Growing leaders who make a difference.” You can help make a difference today by purchasing tickets for the dinner and/or gifting a tax deductible contribution.

Please complete the registration form for tickets, sponsorship and/or in kind donations. CALF is a registered organization, EIN 94-6069269.

We truly appreciate your consideration of this request. Your gift will allow us to support the development of the region’s future leaders!

Sincerely,
Trevor Tagg (Class 50)
Ellen Way (Class 28)

REGION 11 ALUMNI
